

**PROCEEDINGS OF THE PROJECT FINALIZATION COMMITTEE WAS HELD ON
05.03.2026 AT COLLECTOR'S CHAMBER FOR APPROVAL OF PROJECTS
UNDER BGBO FOR THE FINANCIAL YEARS 2024-25 & 2025-26**

In pursuance of the Resolution communicated by the Government in PR & DW Department, Odisha, and the revised guidelines issued vide Letter No. 1155 dated 09.01.2026 under the "Bikashita Gaon Bikashita Odisha" (BGBO) Scheme, and for proper scrutiny and finalization of projects under BGBO for the Financial Years 2024-25 and 2025-26, a Project Finalization Committee was duly constituted.

The Committee met on 05.03.2026 at 11.00 AM to consider the proposals received from Gram Sabhas, PRI Members, elected representatives and civil society members.

The list of members present in the meeting is appended as **Annexure-I**.

At the outset, the Committee examined the proposals block-wise and sector-wise, keeping in view the following:

1. Eligibility as per BGBO guidelines.
2. Sectoral priorities and local requirements.
3. Availability of budget for the respective financial years.
4. Technical feasibility and administrative propriety.
5. Avoidance of duplication with other ongoing schemes.

Approval of Substitution Projects Pertaining to FY 2024-25

It was placed before the Committee that certain projects for FY 2024-25 had been physically approved under BGBO. However, some of these projects, having an estimated cost of less than Rs. 3,00,000/- (Rupees Three Lakhs) only, were originally linked to the erstwhile AONO and could not be uploaded in the BGBO Portal due to technical and procedural constraints.

In order to ensure timely completion of works as per Government instructions and to avoid delay in implementation, the BDOs of Nabarangpur, Nandahandi and Tentulikhunti Blocks submitted proposals for substitution of such projects with eligible and feasible works under BGBO, along with Panchayat Samiti (PS) resolutions.

The details are as follows:
