Sub: Approval of Project lists towards repair/ restoration of Primary School Buildings, AWCs, GP Buildings & Community Halls and GP/PS Roads damaged due to severe cyclonic storm **DANA-2024**.

Sir,

In inviting a reference to the above cited subject, I am directed to say that an amount of Rs. 153,09,19,200/- ( **Rupees one hundred fifty three crores nine lakhs nineteen thousands and two hundred only** ) has been sanctioned and released for repair/ restoration of Primary School Buildings, AWCs, GP Buildings & Community Halls and GP/PS Roads damaged due to severe cyclonic storm **DANA-2024**. In respect of Balasore, Bhadrak, Dhenkanal, Jajpur & Mayurbhanj, Districts . The list of approved projects along with abstract (**Annexure-A**) is enclosed herewith for ready reference.

You are, therefore, requested to take necessary action at your level with following the detail procedure as mentioned below.

1. Estimate for each work against the approved projects will be prepared basing upon the field requirement with due technical sanction by the appropriate authority. The estimate should be released one and if any convergence is required then a separate case record should be opened and the guidelines of that schemes should be strictly followed while executing the Projects.
2. CDO-cum-EO, ZP will communicate the list of detail projects approved by the Government to the BDOs concerned within three days of receipt . Administrative approval will be made by the concerned Block Development Officer .
3. All such work should be executed departmentally and it should be completed within 35 days positively to avoid audit objection both by AG & FD. So, immediate restoration of public infrastructure may be made which has been damaged due to natural calamities.
4. Regular Monitoring and supervision shall be taken up by Collector to ensure timely completion of approved projects.
