Clarification on sanction of funds to blocks under Maintenance and Improvement of Road Infrastructure (out of MV Tax) for FY 2021-22

Ref:

Your letter No. 383 dt. 18.11.2021

Sir,

In inviting a reference to the letter and subject cited above, I am directed to say that funds have been sanctioned to districts during FY 2020-21 under "Maintenance and Improvement of Road Infrastructure (out of MV Tax)" prior to finalisation of entitlement (i.e. based on GP Slab system). Subsequently, it was observed that some blocks have received either excess or deficit amount than the actual entitlement of FY 2020-21. Thus, while sanctioning of funds for FY 2021-22, a normalised approach was adopted to match entitlement of blocks during FY 2020-21 and FY 2021-22 within the ceiling limit enclosed at Annexure-"X" (earlier communicated vide letter No. 6078 dt. 26.03.2021).

Therefore, you are requested to release funds to blocks for FY 2021-22 within the ceiling limit of total entitlement during FY 2020-21 and FY 2021-22 as per Annexure-"X". Instead of Annexure-"B" enclosed to the Sanction Order issued vide letter No. 17123 dt. 04.10.2021, the Annexure-"X" attached with this letter may be followed for releasing year-wise/ block-wise funds under this head to each block to match the total ceiling limit.

Yours faithfully,

Joint Secretary to Govt.

From

To

All Collectors (Except Puri District)  
All Project Directors, DRDAs (Except Puri District)

Sub:- Resubmission of project proposals by preparing perspective plan under the heads "All Weather Connectivity", "Maintenance and Improvement of Road Infrastructure out of Assignment of Taxes (Out of MV Tax)" for 3 years i.e. from 2020-21 to 2022-23, "Repair and Maintenance of Roads and Bridges" for 2020-21, "Creation of Capital assets" for 2020-21 & 2021-22 and "Maintenance of capital assets" for 2020-21.

Ref:- This Deptt. Lr.No.309, dtd. 07.01.2021

Madam / Sir,

In supersession to this Deptt. letter as cited under reference, I am to say that, it is felt necessary by the Govt. to modify the above guidelines as because many districts are not sticking to the financial ceiling limit earmarked for the Blocks and in many cases, variation have been seen. Moreover, the criteria for fixing the financial ceiling limit for the Block in different slabs is also felt to be modified as because the numbers of Gram Panchayats from Blocks to Blocks varies to a great extent.

Therefore, it has been decided that the budgetary allocation under the following components of GIA for 3 years / 2 years / 1 year is to be calculated and distributed to each Block considering number of Gram Panchayat in a particular Block (as at Annexure-A) and accordingly, the proposals are to be submitted by the Districts in proper format in a manner as advised earlier. The priority of need based project shall be serially numbered and the amount to be limited to the ceiling allotted to the Block and shall be submitted to Govt. within a week for approval. The details of entitlement of each Block under

P T O

each category of GIA as mentioned below is to be submitted to the Department by email in the prescribed format with joint signature of the Collector and Project Director, DRDA addressing to the Principal Secretary with a copy to CFC & SFC Section in the email ID [cfcscfpr@gmail.com](mailto:cfcscfpr@gmail.com) as soon as possible. All the proposals under these heads received from the Districts prior to issue of this letter by the Collectors are not accepted and declared null and void in the specified categories.

Therefore, you are requested to impress upon the BDOs to prepare the priority list of proposals year-wise as per formula given below keeping the financial limit to the extent as mentioned in the enclosed chart and submit the proposals through the District Administration.

Proposals under the rest of the components of the GIA as advised as per guidelines communicated vide No.14347, dtd.14.09.2020 shall be furnished by the Districts (those have not yet received the approved project list only for the year 2020-21) keeping number of projects and financial ceiling intact as per guidelines so that, there will be no confusion while sanctioning proposals by the Department.

This may be treated as urgent and immediately acted upon.

Yours faithfully
